

TWOR INDIA (P) LTD.

ENGINEERING SOLUTIONS

TIPL previously known as Quadrtech is a progressive knowledge process outsourcing company with impeccable levels of governance, over a decade and a half of rich experience in our domain and a well-defined value system which values quality above everything else. We aim to deliver world-class Engineering & IT Services and Staffing Solutions in a truly global fashion – optimizing costs, maximizing quality output and acting as an extended team for our clients. We chose these two areas of focus as they are very synergistic with almost similar business models and a comprehensive set of offerings.
